

WELLBEING, BUILT INTO EVERY EVENT

BECAUSE WHEN PEOPLE FEEL WELL, EVERY CONFERENCE FEELS WARMER, CONNECTED AND ENERGISED.

Discover Accor's unique properties that bring together spacious, light-filled apartments and thoughtfully curated conferencing, with wellbeing woven into the way delegates stay, meet and recharge.

From coastal retreats to city hubs, wellness-led inclusions support delegates in achieving clarity, building connection and sustaining performance across multi-day programs.

Chef-led seasonal menus, an apartment stay that feels open, calm and restorative, meaningful wellness moments, and conference spaces designed around the rhythm of a program create an environment where clarity and momentum come naturally keeping teams aligned and moving forward long after the event concludes.

*This winter, bring warmth, clarity and momentum to every conversation, connection and outcome with our complimentary wellbeing upgrades when you book your winter conference.**
